

INSTITUTIONAL CODE OF ETHICS & DISCIPLINE

M. S. Naz High School is dedicated to nurturing disciplined, honest, and respectful students. Mutual respect, academic integrity, and campus decorum are the bedrock of our scholastic community.

1. Punctuality & Daily Assembly

School gates open at 7:30 AM and close promptly at 7:55 AM. All students must assemble for morning recitation, national anthem, and character pledge. Three late arrivals per month result in disciplinary warning.

2. Mandatory 80% Attendance Threshold

Board of Intermediate & Secondary Education (BISE) regulations mandate a minimum of 80% attendance to qualify for board send-up examinations. Medical leave applications must be accompanied by certified medical practitioner notes.

3. Digital Devices & Mobile Phone Prohibition

Students are strictly forbidden from bringing personal mobile phones, smartwatches, or entertainment electronics onto campus premises. Unauthorized devices will be confiscated until end of term.

4. Zero Tolerance for Bullying & Harassment

Any form of physical, verbal, or psychological bullying is met with immediate suspension and formal disciplinary review. We enforce a nurturing and safe school environment for every student.

5. Care for Campus Property & Laboratories

Students must treat school furniture, laboratory equipment, solar utilities, and computer workstations with diligence. Damage resulting from negligence will be charged to the parent account.
