

M. S. NAZ HIGH SCHOOL

INSTITUTIONAL PROSPECTUS 2026-2027

Nurturing Minds, Shaping Futures - Established Over Two Decades

[+] BISE Gujranwala Registered

[+] Oxford Curriculum Standards

[+] Solar-Powered Smart Campus

[+] Practical AI & Robotics Labs

[+] 15 TB Institutional Cloud

INSTITUTIONAL VISION & MISSION

Our vision is to cultivate an inspiring, future-proof academic ecosystem where traditional ethical values harmonize seamlessly with 21st-century technological acumen. We empower students across Wazirabad and surrounding regions with Oxford academic benchmarks, rigorous BISE Matriculation preparation, and practical AI mentorship to become exemplary global leaders and distinction holders.

MESSAGE FROM THE EXECUTIVE DESK

"Education at M. S. Naz High School is not merely the transmission of textbook knowledge; it is the deliberate shaping of intellect, curiosity, and moral integrity. Our students learn to think critically, code algorithms, conduct hands-on laboratory experiments, and embrace leadership with humility. We welcome parents and ambitious students into our academic family for the 2026-2027 session."

- Leadership Council, M. S. Naz High School

Solar-Powered Campus

1. Foundational Years (Playgroup, Nursery & Kindergarten)

Activity-based Montessori sensory learning blended with Oxford Early Years phonics, early numeracy, and motor skills. Features safe indoor play areas, mentor-guided social development, and moral storytelling.

Key Curricular Coverage:

Oxford Phonics, Early Math, Sensory Motor Activities, Urdu Rhymes, Art & Craft

2. Primary Wing (Grades 1 to 5)

Rigorous conceptual foundation following Oxford University Press syllabus standards. Emphasizes mathematical reasoning, bilingual fluency in English and Urdu, fundamental sciences, and digital literacy in our computer labs.

Key Curricular Coverage:

Oxford English, Oxford Mathematics, General Science, Social Studies, Urdu, Islamiyat, ICT

3. Middle School Wing (Grades 6 to 8)

Advanced preparatory bridge toward board matriculation. Introduces specialized Physics, Chemistry, Biology, and Computer Science concepts, alongside English comprehension, debate training, and analytical projects.

Key Curricular Coverage:

Science (Physics/Chem/Bio tracks), Advanced Math, Computer Applications, English Literature, Geography, History

4. Matriculation Wing (Grades 9 & 10 - BISE Gujranwala)

Full affiliation with the Board of Intermediate and Secondary Education (BISE) Gujranwala. Offers high-performance Science & Computer Science groups with daily practical demonstrations and structured phase test series.

Key Curricular Coverage:

Science Group: Biology, Physics, Chemistry, Math, English, Urdu, Pak Studies, Islamiyat, Tarjuma-tul-Quran Computer Group: Computer Science replaces Biology with hands-on lab programming

* Modern Science Laboratories

Fully equipped Physics, Chemistry, and Biology laboratories compliant with BISE Gujranwala practical examination specifications. Features modern microscopes, certified reagents, optical benches, and dedicated safety gear.

* Artificial Intelligence & Computer Lab (15 TB Cloud)

Quad-core networked workstations connected via high-speed fiber internet. Every matric and middle student receives institutional access to our 15 TB cloud for digital portfolios, coding assignments, and LMS coursework.

* 100% Solar-Powered Infrastructure

Environmentally responsible, uninterrupted power supply supporting year-round air-cooled classrooms, computer laboratories, and campus lighting without disruptions from local power outages.

* Library & Digital Resource Repository

Curated collection of Oxford readers, encyclopedias, board past paper archives, scientific journals, and Islamic literature. Equipped with quiet study nooks for student research.

* Co-Curricular Societies & Athletic Excellence

Active student societies: MSNS Science Club, Debating & Literary Society, Robotics & Coding Guild, and Sports Club (Cricket, Badminton, Table Tennis, Football). Annual Sports Gala and Science Fair held annually.

* Safety, Transport & Medical Readiness

CCTV monitored campus premises, secure boundary gates with 24/7 security guards, clean drinking water via commercial Reverse Osmosis (RO) plants, and supervised transport routes covering Wazirabad and Ghakhar.
